Vanessa Bruno Blazer
I love the masculine look. Put this jacket over anything to make it current.

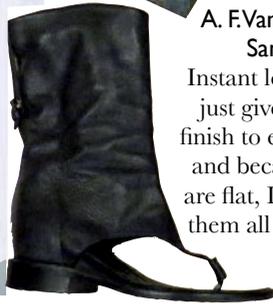

Vivienne Westwood Boyfriend Jeans
Comfortable and cool, especially with a killer pair of heels.

Patricia Nicolas Necklace
I bought this in 2010 and it is still a favorite. I love to wear this statement piece with a buttoned-up white shirt.

Roland Mouret Thigh-High Boots
I've been looking for a pair of thigh-high boots for ages – finally! These are very flattering.

White T-Shirt
I wear it with a dressy bottom or with jeans and a big necklace. It can change the look of any outfit while keeping it fresh.

A. F. Vandevorst Sandal
Instant love. They just give a great finish to every look, and because they are flat, I can wear them all day long!

Favorite Fashion Items

Remote Control
I don't watch as much TV as I would like to, but I still must know where the remote is at all times and, while watching, it MUST be in my hand.

Style Icon Yasmin Sewell
She is always effortlessly chic and casually cool.

MAC Dangerous Lipstick
My new color.

Favorite Beauty Items

Benefit Sun Beam
I used to use this a long time ago, and I just bought a new bottle on my last trip to Dubai and fell in love with it all over again.

The Beauty Blender
When I first heard of this, I thought it was too gimmicky, but once I tried it, I was hooked! Love it.

Favorite Interior Items

Mama Shelter Hotel Scent
I love Mama Shelter Hotel, especially the scent when you first walk in, so I had to ask what it was and get some for myself.

Artwork
Love this image of my son.

Dream Destination

Tokyo
Fashion, food, and culture. Also, my son is obsessed and really wants to go.
